

The Skagit Conservation District Presents:

2020 Soil and Water Stewardship Poster Contest

In honor of Soil and Water Stewardship Week, the Skagit Conservation District's Annual Poster Contest provides **kindergarten through twelfth grade** students with an opportunity to share their thoughts about soil, water, and related natural resources.

Soil and Water Stewardship Week April 26—May 3, 2020

Stewardship Week helps to remind us all of the power each person has to conserve natural resources and improve the world.

2020 POSTER THEME

"Where would we BEE without Pollinators?"

Do you know what types of pollinators you have in your community? While many pollinators may seem like just annoying insects, they are actually a very important part of the web of life upon which we all depend.

Pollinators are needed to provide one in every three bites of food and to maintain our environment. Without the pollination process we would notice a decline in food and many of the products we use every day. Pollinators are responsible for about \$16 billion in U.S. agricultural production, and \$190 billion in human food production worldwide. About 75-percent of all flowering plants rely on animal pollinators for fertilization, and over 200,000 species of animals act as pollinators. Of those, about 1,000 are hummingbirds, bats and small mammals, such as mice. The rest are insects, including beetles, bees, ants, wasps, butterflies and moths.

**POSTER ENTRY DEADLINE (Extended)
October 30, 2020
For more information call
Cindy @ 360-428-4313 ext. 1026**

CONTEST RULES

1. The title "Where would we BEE without Pollinators?" must be on the poster. (Don't use any other title or theme.)
2. Any media may be used to create a flat or two-dimensional effect (paint, crayon, colored pencil, charcoal, paper or other materials).
3. Poster size must be between 8.5"x 11" and 16"x 20".
4. All posters must have a completed entry form taped to the back of the poster. (NO staples please.)
5. All posters must be created by an individual student rather than a team of students.

POSTER EVALUATIONS

Posters entered into the Skagit Conservation District Poster Contest are reviewed by a panel of judges. Each judge has one of the following backgrounds: conservation, natural resources, art and/or education. The posters are evaluated on the following criteria:

Conservation message—50%
Visual effectiveness—30%
Originality—10%
Universal appeal—10%

AWARDS!

All students who submit a poster for the contest will receive a certificate of participation.

- ★ Awards will be presented to the winners in the following grade categories: K-1, 2-3, 4-6, 7-9, 10-12. Winning poster entries will move on to the Washington State Contest, and State winners will move on to the National Contest!
- ★ In addition, an Overall and Runner-up winner will be selected. The Overall winner will receive a **\$50.00** Tri Dee Arts gift card, an award plaque, and framing of his/her poster. The Runner-up winner will be awarded a \$25.00 Tri Dee Arts gift card.

"This event/activity is NOT being sponsored by any Skagit County School District, and the Districts assume no responsibility for the conduct or safety of the event/activity. In consideration for the privilege to distribute these materials, Skagit County School Districts shall be held harmless from any cause of action, claim or petition filed in any court or administrative tribunal arising out of the distribution of these materials, including costs, attorney's fees and judgments or awards."

SKAGIT CONSERVATION DISTRICT POSTER CONTEST DEADLINE: Extended to October 30, 2020

WHAT MAKES A GOOD POSTER?

-  The title of “Where would we BEE without Pollinators?” must be the only message on the poster.
-  Colors and white space to add emphasis and attract attention.
-  Large letters that can be read easily and words that are spaced apart so that the meaning is understood quickly.
-  Principles of good design.

Boldness

makes a difference.
