

Managing Stormwater Facilities: Maintenance Guidelines for Private Property Owners and HOA's

A **FREE** workshop to assist neighborhood associations, business owners, and property owners who are responsible for maintaining a stormwater detention pond or other stormwater drainage systems in their neighborhood

*Learn how to care for detention ponds
in your neighborhood.
Course materials and handbooks
will be provided.*

You are invited - please join us!

THURSDAY, May 5, 2016

5:30 p.m. - 8:30 p.m.

**Port of Skagit County
15400 Airport Drive, Burlington, WA 98233**

**PLEASE PRE-REGISTER by
Friday, April 29th:**

**Kristi Carpenter, Skagit Conservation District
Email: kristi@skagitcd.org or phone: 428-4313**

Topics include:

- How stormwater management systems work
- How to keep your system in compliance with new regulations
- Step-by-step instructions for routine maintenance to prolong the life of your detention pond, improve its appearance, and prevent flooding and property damage
 - How to plan, budget, and assess the neighborhood for upkeep costs
- Basic things all stormwater facility owners should know and do...and, more!

DRESS FOR WEATHER and wear WALKING SHOES!
The event will include a site visit to nearby detention pond facilities.

Sponsored by:
